

## **SRVCA Sports Commitment Form 2016-2017**

All SRVCA sport teams play in a competitive league with other Christian schools. This is not a recreational league or an instructional league. It is a great opportunity to play on a team with classmates in all Jr. High grade levels. Playing time will not always be equal, but the good of the team will always be emphasized.

All students participating in after-school sports need to maintain a 2.5 or better GPA average in core subjects (math, science, English, Bible, social studies, Spanish) and have no F's in any class. Students must adhere to exemplary behavior standards (including dress code and tardies).

Parents agree to drive players to 3-5 games depending on size of team and game location throughout the year. For certain sports we need drivers for both home and away games. Practice and game schedules will be on our website calendar.

For each sport played, there is a \$50 sports fee assessed and students must fill out a commitment form for each season played. The money goes to help cover costs of fields, officials, uniforms and other needs. If you have more than one student playing in a season, the payment schedule per season is listed below.

- 1 child - \$50
- 2 children - \$80
- 3 children - \$90

Please CIRCLE the sport your student is interested in playing this season:

**Boys** - Flag Football, Basketball, Soccer, Volleyball, Cross Country

**Girls** - Softball, Basketball, Volleyball, Soccer, Cross Country

**Please return this form with a check made out to SRVCA.**
